Liberty Corner Warsaw 5 Mysia Street, City Center

Liberty Corner is a unique Class A+ office building located in the heart of Warsaw, near the Three Crosses Square.

5 650 m² of office space is spread over seven floors, 394 m² of retail and service on the ground floor and 75 spaces in a two-level underground parking lot.

Liberty Corner consists of two independent parts: office space to rent and the headquarters of the Polish Press Agency (PAP).

The facade of the building consists of elegant sandstone and granite, with stainless steel railings and glass.
